**10th IFSAM World Congress  
International Federation of Scholarly Associations of Management  
July 8 -10, 2010  
Chair: Yvon PESQUEUX**

**Conservatoire National des Arts et Métiers  
PARIS, FRANCE**

### **Conference Theme: Justice and Sustainability in the Global Economy**

Since the 15th century, colonization has been an important issue in the world, with de-colonization being a key event of the 20th century. The consequences of colonization and subsequent de-colonization have been enormous in economic, social and political terms. In particular, de-colonization has opened the door to today's globalization. The themes of "Justice and Sustainability in the Global Economy" fits with the mission of IFSAM, the 'United Nations of the Academies of Management'. This theme is of particular significance to developing countries, especially those in Africa, one of the key areas of development interest for IFSAM. Our These themes also raises the question of the significance and contribution of managerial activities and the extent to which management in s relation to justice and sustainability, especially after the financial crisis.
