Sun (Leeds Metropolitan University, Uk), L. Weill (IEP & Strasbourg Business School, Fr).

Workshop Scope

This workshop aims to consider the development of financial activities in an ethical perspective and problematic of corporate governance. The conference focused on opportunities within sustainable and ethical finance arenas considering, in particular, Islamic finance as a sub-sector of ethical finance. Topics for this conference include, but are not limited to: Ethic and Finance, Islamic Finance, Investment for Social Responsibility, Sustainable Banking, Microfinance, Corporate Social Responsibility, Mechanism of Corporate Governance, Fraud and Finance, etc.

A proper financial system and governance framework are of fundamental importance in strengthening the performance of economies, in particular those in development and transition.
